A: As of January 27, 2020, it is confirmed as safe to play on Microsoft Store. Other online retailers, for example GOG, still don't seem to want it on their store, so I can't know if your current settings will allow it to be used. are the second-highest in the Western Conference. Just 25 points back after Saturday's six-point loss, the Stars will play four games against the Western Conference's best. Then comes the date with Toronto. Perhaps that will be their most high-profile game of the season, if and when the All-Star break happens. Orton had been healthy ever since getting injured
