Fifa 22 Features Key:

- World Cup bound: FIFA 22 expands on the social features of FIFA, allowing you to challenge your friends to single or online matches, delve into tournaments, and upload your skills to the FIFA 20 Ultimate Team. Create your Ultimate Team and shape its roster and tactics as you lead your virtual sides to glory on the global stage.
- New Ways to Connect: FIFA 22 brings new friendlies and tournaments, including the all-new FIFA Master League - a single-season or multi-season tournament based on winning and losing, empowering you to test your last-minute deals against all-comers for the 2018 or 2022 FIFA World Cup, meaning you can truly feel the anticipation of the home teams and roar on your rivals as you strive to win the World Cup.
- The Team Is On Your Side: FIFA 22 introduces new ways for you to become even more immersed in the game as you play alongside your

team of stars in new bonus sequences across the game. For example, you can now choose to play as Messi or Cristiano Ronaldo, make life and death decisions, evade the clutches of defenders, or race for the ball at the speed of light, all with team mates and the intricacies of matches around you.

- **New Champions League Masters:** FIFA 22 introduces The Masters for the Champions League. The Masters gives you a taste of the UEFA Champions League without having to commit to the real thing. The Masters gives you the chance to take part in the UEFA Champions League, with up to eight matches in the group stage, regular knock-out rounds and the chance to win the Champions League trophy. The UEFA Champions League Masters lets you experience the ultimate play-through of The Champions League, playing matches from the group stage onwards to determine the UEFA Champions League winner.
- **Ultimate Dynamic Atmosphere:** bring the energy and flair to your gameplay. Our teams have listened to what you've told us through FIFA Ultimate Team and social channels, and you'll see Dynamic Atmosphere return to FIFA 21. Play in a stadium, run out with your team or football wherever you are through the use of Real Player Motion Mapping (RPM), and see the environment react to the game's lightning fast action. For the first time, play with the authentic experience of playing football in your living room.
